

# A Workshop on Applied & Numerical Mathematics

On the Occasion of *Professor Bengt Fornberg's 80th Birthday*

## Invited Speakers

- **Bengt Fornberg**  
Professor Emeritus, CU Boulder
- **Nick Trefethen**  
Professor of Applied Mathematics, Harvard
- **Mark Ablowitz**  
Distinguished Professor, CU Boulder
- **André Weideman**  
Distinguished Professor, Stellenbosch University, South Africa
- **Toby Driscoll**  
Professor, University of Delaware
- ... and many others

## Workshop Features

- **Mornings** Series of Lectures
- **Afternoons** Research talks
- **Topics** Scientific Computing, Numerical Methods in Engineering and Applied Sciences, Mathematical Modeling

*Graduate students, postdocs, and faculty from all STEM fields are encouraged to attend this workshop. Refreshments will be provided.*

**June 8th – June 10th, 2026**
